RESOLUTION 2021 –06

A resolution of the Beaver Dam/Littlefield Fire District Board of Directors to increase staffing coverage of the Fire District to 24 hours per day.

Whereas, a rise in ambulance call volume during early morning hours has necessitated 24 hour staffing coverage by EMS personnel.

Whereas, the Fire District is currently staffed by EMS personnel for 20 hours per day. The approximate cost to increase EMS coverage four additional hours per day, through June 30, 2021, is \$8,250.

Whereas, Wildland Revenue has exceeded budget expectations and several expenditures have been deferred until the fiscal year 2022.

Be it Resolved, that the Beaver Dam/Littlefield Fire District Board of Directors hereby approves increasing staffing coverage of the Fire District to 24 hours per day.

Approved and Adopted by the Beaver Dam/Littlefield Fire District Board of Directors on this 18th day of March, 2021.
